Software upgrade

for models with chipset 6586

SHARP
Be Original.

UPDATE PROCEDURE

- Unzip files (if necessary) and copy them to root folder on USB drive formatted in FAT32

Nazwa	Data modyfikacji	Typ	Rozmiar
UMC_6586_aes.bin	14.01.2019 14:33	Plik BIN	125 383 KB
UMC_KMODE.txt	06.02.2019 16:53	Dokument tekstowy	1 KB

SHARP
Be Original.

UPDATE PROCEDURE

- Unplug TV from AC
- Plug in USB Drive to USB port and plug TV to AC
- The update process will begin. Please be patient - it will take about one minute until the indicator will start to rise.
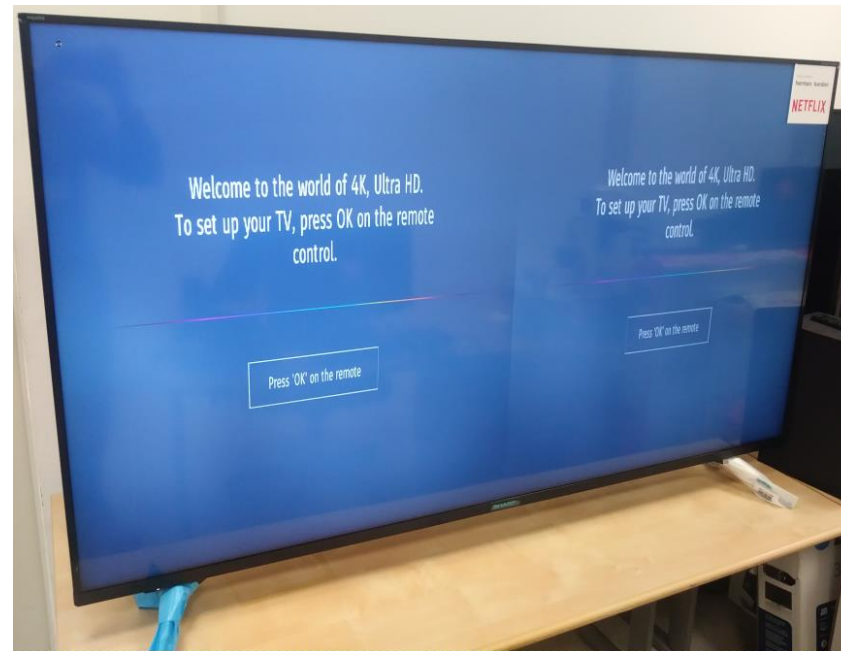

SHARP
Be Original.

UPDATE PROCEDURE

- When the indicator reaches 100% you will see confirmation as below, but upgrade process in not finished yet. **Please, do not plug off USB drive.**

UPDATE PROCEDURE

- Turn off TV from AC and turn it on again. You can see incorrect picture (for example doubled picture). That's part of upgrade process. Don't worry.
- Please wait until TV will start completely.
